Judge Victor Marrero entered an order on August 10, 2021 consolidating two class action matters under Case No. 1:21-cv-04323. An amended complaint was filed on October 14, 2021.

Explain in detail the reasons for your position that the newly filed case is related to the earlier filed case.

The newly filed case is related to the earlier filed case in that both cases allege that substantially the same group of Defendants made false and misleading statements in 2021 related to, inter alia, the business, operations, and prospects of Aterian, Inc., and in particular the capabilities of Aterian, Inc.'s proprietary software platform.
